Express service is available – prices on request from our Customer Service Team on 0800 854374.

## Automatic Shipment Advantage Programme (ASAP) explained

What advantages do independent/self-employed LP Partners have with the ASAP programme?

The ASAP programme is our special shipping service, which automatically sends your Lifepus products to you every month, without you having to order again. Furthermore, you save on the shipping costs. The ASAP programme is a standing order, which you can change or cancel without penalty.

How do I participate in the ASAP programme?

Complete the order form and fax it back to us on 0044 1480 224611. Your order will be processed as quickly as possible.

How can I change or cancel my ASAP?

Simply call the Customer Service team who will take care of this for you on 0800 854374.

**Changing your ASAP order.** Please enter the date that you want the change to take effect from and simply list the products you want on your ASAP order in the space provided.

**Cancellation of your ASAP order.** Please cross the box “cancellation” and state the month in which your cancellation should come into force. This is only for a complete cancellation. Do not cross the cancellation box if you only want to cancel one product of your ASAP order. Even when you cancel your ASAP completely you keep your PIN number for twelve months from the last order date and should state it on future orders.

**Any changes and cancellations should reach us at least three working days before the processing date of your ASAP order.**

## Payment Methods

Paying by credit card

Insert your credit card number, its expiry date and CVV. Without that information we cannot process your order. If you are paying by credit card you can place your order by calling our customer service team and placing your order verbally.

CVV

This number is printed in the signature area of the back of your Visa/Mastercard. It is the last 3 digits on the signature strip. For American Express the four digit code is found on the front of the card.

Can I use a card not in my name?

The card must be issued in your name so that we can process the order.

Direct Debit

If you have already provided us with your bank details you only need to cross the box “Direct Debit”. The bank account needs to be in your name in order to process the order. Please contact our Customer Service team at 0800 854374 for more information.

## Privacy and Security Statement

The information you provide will be used by Lifepus to process orders and deliver services to you. In order to deliver such service we will need to store your personal information and to transfer it to our affiliates for processing both inside and outside of the European Economic Area (EEA). This information will be treated in confidence and maintained in accordance with the Data Protection Act 1998. We will not disclose such information to any third parties except where required or permitted by UK law or where your consent has been received.

## Cancellation Policy and Returns

Lifepus offers a thirty day money back guarantee on all its products. If you are not fully satisfied with any Lifepus product you may return it within 30-days from the date of shipping for either a full refund (excluding shipping) or in exchange for other products. If you return or advise us of your intention to return goods within 14 days a full refund including shipping will be actioned. Please ensure that you contact Lifepus before returning products. Goods cannot be accepted for refund or exchange outside of the 30-day limit unless the goods are found to be faulty. This does not affect your statutory rights.

## Enjoying the Benefits of ASAP

Our unique Automatic Shipment Advantage Program provides you with a system to purchase your Lifeplus products each month conveniently and economically. Every month, depending on your preferred payment method, you will be charged automatically for the products that you consume each month and you will receive FREE or discounted shipping on your order. You can also customize your order each month, which will allow you to tailor your order to match your specific nutritional needs.

Your ASAP order will be assigned a specific Business Day during the month. This is to prevent your ASAP order from falling on a weekend or a holiday and will allow the Lifeplus shipping department to fulfill your ASAP order more efficiently. Your ASAP order Business Day will be printed on your invoice. If your specific Business Day does not work for you, please contact customer service and we will be happy to work with you to find a day that would work with your ASAP schedule.
